

## Empowering students. Engaging communities.

By sponsoring CARE programming and events, you can make a meaningful impact while unlocking a wide range of benefits for your organization and community.

CARE engaged with almost 1,000 teachers, students, mentors, judges, and exhibitors in 2025. The ripple effect of this exposure when combined with marketing efforts, translated into more than 85,000 direct and indirect connections. Join us in 2026, and let's activate more positive change now!

### CARE Sponsor Opportunities

Sponsor Benefits	\$20,000	\$10,000	\$5,000	\$2,500	\$1,000

“Together, we can build a culture of community climate action. Thanks for doing your part!”

Jo de Vries,  
CARE Program Lead

## It Takes a Community!

Help local students create our sustainable future!

Support received will go directly to program delivery costs, project seed funding, and student recognition events. Allocate your support to a specific area or allow our team to apply funds where they're needed most.

**Thank you!**
